ATTENTION HEB MARCHING AND DRUMLINE CONTEST SPECTATORS

Updated Sep 11, 2021

EMT SHORTAGE

There is a nationwide shortage of EMTs, and none are currently available for our event. We will continue seeking assistance but at this time, if an emergency occurs and no trained professional is available, we'll need to call 911.

SANITIZING SUGGESTED

Supporters of many different groups will be rotating through our grandstands throughout the event. We suggest that you bring disinfectant wipes, hand-sanitizer, etc., for use when entering and exiting your chosen seats.

NO GATHERING BENEATH THE STANDS

Spectators are kindly asked not to congregate or loiter beneath the stands. Concessions and restrooms will be open and available. We ask that you visit and depart those areas in a timely manner and do what's needed to avoid congestion.

SHELTERED AREAS

While the wearing of masks is optional due to the Governor's Executive Order (GA-38), spectators may wish to consider face coverings when visiting concessions, restrooms, and other common sheltered areas.

RE-ENTRY WRISTBANDS

A wristband handed out by gloved contest officials will allow attendees to re-enter the stadium.

ATTENTION BAND AND DRUMLINE DIRECTORS, INSTRUCTORS AND STAFF

EMT SHORTAGE - PLAN AHEAD

Instructors: Please consider bringing a volunteer nurse or other trained medical professional, to chaperone your group. At present, due to the EMT shortage, if an emergency occurs and no trained professional is available, we'll need to call 911.

NO PRESS BOX HOSPITALITY

We are limiting 2021 press box access to contest officials, judges, and school administrators. We regret the inconvenience and look forward to resuming our normal hospitality area in 2022.

DIRECTOR-STAFF VIEWING AREA

We are roping off rows at the top-center of the grandstands for directors, instructors, and staff members to use whenever you wish, throughout the event. These areas will be adjacent to the active director viewing area.

ADMINISTRATOR VIEWING AREA

Administrators may show district ID at the elevator (capacity 3 people) to access the lower level of the press box (P1). After your group performs, they may stay while there's no congestion. We rely on their judgment to depart as needed.

HEB MARCHING CONTEST: FINALIST DIRECTORS' MEETING

When finalist bands are announced: Send only 1-2 representatives to the finalist directors' meeting in the press box (P1).

AWARDS CEREMONY

Our awards presenters will be wearing gloves. We encourage your student representatives to wear gloves, as well.
