ADJUDICATION AND SCORING

The Music and Visual judges determine total score. The weight of the numbers places 60% of the value on music and 40% on visual, as well as 60% on general effect and 40% on performance. Each judge is assigned a specific area of focus. Ensemble and general effect judges experience performances from above. Individual performance judges experience performances at field level.

Percussion and color guard are critiqued by specialists focusing on those units, separate from the band as a whole. Percussion and color guard numbers determine placement within caption only and are not part of the total score.
